Table 4. Dispersed Camping Corridor Removals

FS_Road	Description	Action	Miles
132	Lower Log Springs -steep slopes unavailable / resource concerns	Update MVUM remove camping corridor	0.93
68F	Sycamore Cabin access	Update MVUM remove camping corridor	0.79
151	High Voltage Powerline Corridor	Update MVUM remove camping corridor	1.98
413	Narrow / Steep unavailable	Update MVUM remove camping corridor	1.47
355	Within Blue Hills /Quail Springs subdivision	Update MVUM remove camping corridor	1.29
359	Black Canyon Trail 114 Residential use / trash/ resource damage	Update MVUM remove camping corridor	3.51
9604D	Residential use / trash/ resource damage	Update MVUM remove camping corridor	3.16
9604C	Residential use / trash/ resource damage	Update MVUM remove camping corridor	1.76

ATTACHMENT A

360	Residential use / trash/ resource damage	Update MVUM remove camping corridor	4.05
9701H	Residential use / trash/ resource damage	Update MVUM remove camping corridor	0.74
361A	Residential use / trash/ resource damage	Update MVUM remove camping corridor	1.36
9707P	Black canyon River Access Day Use	Update MVUM remove camping corridor	1.01
147	Residential use / trash/ resource damage	Update MVUM remove camping corridor	0.55
147A	Residential use / trash/ resource damage	Update MVUM remove camping corridor	1.40
9606K	Residential use / trash/ resource damage	Update MVUM remove camping corridor	0.63
9607C	Residential use / trash/ resource damage	Update MVUM remove camping corridor	0.11
9603V	Residential use / trash/ resource damage	Update MVUM remove camping corridor	0.45
9603P	Residential use / trash/ resource damage	Update MVUM remove camping corridor	0.14
136	Residential use / trash/ resource damage	Update MVUM remove camping corridor	2.48
334	Beasley Flat Access Day Use	Update MVUM remove camping corridor	0.56
334	Beasley Flat Access Day Use	Update MVUM remove camping corridor	1.31
9625U	limited Community Access	Update MVUM remove camping corridor	0.16
9709S	limited Community Access	Update MVUM remove camping corridor	0.20
574	Gap Creek Day Use -Narrow Steep Drainage	Update MVUM remove camping corridor	0.32
9604A	Well Road Access Gated -Range -Verde Allotment	Update MVUM remove camping corridor	0.10
361	Residential use / trash/ resource damage	Update MVUM remove camping corridor	4.96
104	Mingus Access paved /steep -Unavailable	Update MVUM remove camping corridor	1.49
574A	Substation Road access / Range Corrals	Update MVUM remove camping corridor	0.34
9650C	Residential use / trash/ resource damage	Update MVUM remove camping corridor	2.09
9650D	Grief Hill DDRA	Update MVUM remove camping corridor	0.26
9603S	Grief Hill DDRA	Update MVUM remove camping corridor	3.46
106	Permanent Water -Powerline tanks-limit for wildlife -Coord with AZGF	Update MVUM remove camping corridor	0.14

Table 5. Proposed Forest Road Decommission / Status Change

ATTACHMENT A

FS Road	Miles	Description
106A	0.06	Rec resident road gated -Remove from MVUM – admin access
106B	0.10	PPCG Water Tank Road (add gate -admin access only) -admin access
106C	0.20	Rec resident road gated -remove from MVUM -admin access
574A	0.90	Remove from MVUM -Change to Admin Access – powerline ROW
9002W	4.14	Closed on the ground...Coord-AZGF?
9003N	0.99	Remove from MVUM for resource protection /trail system.
9003T	0.29	Trick Tank /wildlife concerns -request by AZGF
9265M	0.38	Closed on ground -resource concerns
9601D	0.53	Indian Creek PVT -remove MVUM? Or is easement in Progress
9625G	0.15	Well Road -remove from MVUM -admin access only
BW1	0.88	Blowout Wash Recreation Area – Non MVUM /rehab
